Message from the Principal

Greetings!

Welcome to the 2019 school year. Thank you for being part of the Holy Family School Community. Thank you for choosing Holy Family to partner you in the education of your child. It is a privilege to share this role with you. Thank you.

A special welcome to our new students, parents and staff. May your time with us be blessed with learning, fun and wonder.

Last Saturday our church celebrated the feast of the Presentation of Jesus in the Temple. The presentation of an infant in the temple was a Jewish custom and the story tells us that while Mary and Joseph were at the temple, they were met by an elderly man who spoke to them about the future of this young child. The feast day reminded me of the hopes and dream we all have for our children. As parents we spend time (just like Mary and Joseph did) watching our children, wondering what the future holds for them.

As we begin this school year I would like to invite you to talk with your child about their hopes and dreams for this year and the part that they can play in fulfilling these dreams. I hope you enjoy this discussion with your child.

In a few weeks we will be inviting you to join your child and teacher for the Student Led Conferences where you will share in the story of your child's learning, their hopes and their dreams.

Enjoy the week ahead,

John Spradbrow

Learning Corner

Dear Parents/Carers and Friends,

In 2019, Holy Family set our school community a number of goals to achieve in areas of Formation, Literacy and Numeracy. We believe that all children can grow and succeed.

Holy Family Literacy Goal: **For all learners to improve their writing with a focus on crafting ideas, text forms, features and vocabulary.**

Writing is a crucial part of communication. Writing allows us to communicate our ideas, our knowledge and understanding of the world around us and also to communicate our needs to others.

Over the first few weeks of the school year, teachers have been collecting initial data on all of our students to assist them in the programming and planning of each and every child at Holy Family. Numeracy and Literacy Data walls are used so that all children can be tracked and monitored throughout the year. So how can you help your child develop as a life long learner? One way is to get them into a routine of reading everyday.

Tips for Making a Regular Time for Reading Every Day

- Turn off the T.V
- Let your child know that you **enjoy** the time together
- Make listening to reading a **special** time
- Your child will sense when listening to reading becomes boring for you
- Be seen as a reader **yourself**—Encourage your child to make use of the local and school **libraries**.

Read at least 15 minutes everyday!

Attendance at Holy Family Primary Emerton

Australia has one of the very best education systems anywhere in the world. Each day, our young people are provided with opportunities to learn more about the world they live in through their experiences in and out of the classroom. Schools teach children about themselves, their relationships with others and about life beyond school. This includes preparing them for the workforce.

Regular attendance at school is critical to ensuring that every student has the kind of opportunities in life that he or she deserves. When students are not at school, they are missing out on so much. Without the knowledge, the skills or the support that schools are so good at providing, young people can get left behind and find themselves underprepared for a fast-paced and often very challenging world.

In 2019, Holy Family Primary Emerton will be lending our support to a campaign called **'Every Day Counts'**, an initiative designed to remind all students and parents why regular school attendance is so important. As part of this campaign, a range of resources and strategies will be made available to help parents, if help is needed.

I appreciate that this is not a matter that may impact on a large number of our families; however, if the 'Every Day Counts' campaign can assist even just a few students to be at school more regularly, with all the benefits that come with that, it is a terrific outcome.

Kind Regards,
Monika Cunningham

Fundraising 2019

A sincere thank you to everybody for all your support in 2018.

The great result was achieved with the help of many generous parents and grandparents. In 2019 we are asking for your support again. We will have many different activities during the year and even if you can help with one event we would be very grateful.

All money raised is of great assistance to us in providing important resources for your children. If you would like to volunteer your time please contact the office on 8869 7200.

Holy Family Values

Welcome back to school to all our students, their families and staff for the 2019. It promises to be an exciting year with lots of activities, community gatherings and prayerful experiences planned.

Last year we continued to embed our Holy Family Values into everything that we do. This will continue in 2019. The Holy Family School values are listed below.

Year 3 construction what Respect looks, sounds and feels like.

Respect, Compassion, Responsibility, Trust and Forgiveness

These values underpin all that we do at Holy Family. The classroom teachers have spoken to the students about these values and they will continue to develop their classroom expectations or "Stepping Stones" with these values in mind.

Please talk to your child/ren about our Holy Family Values, as they are very very important to all of us.

Kind Regards,
Mrs Cathy Vogt
